

THE SMALL CUP SYSTEM

This is a capsule portafilter for short drinks capsules.

The portafilter can be used with different professional espresso machines, fastening it to the brewing group.

Each standard brewing group has a dedicated capsule portafilter. This system will allow you to easily serve all Foodrinks instant drinks.

THE PORTAFILTER FOR CAPSULES

is composed of 2 parts:

- ▶ Handle
- ▶ Capsule filter basket and spout

THE CAPSULE

- ▶ Ø 36mm
- Classic Standard
- Compatibile with Lavazza Espresso Point
